Edit Class

1. Define class details 2. Assign students to class

Define the Class

Class Name: 15003 sn 3 id 182670 Description: ?

Grade: Grade 3

Period: P1

Add Adaptive Learning Products

Check the products to add to this class:

Include Product	ISBN
<input checked="" type="checkbox"/> Go Math! CA Personal Math Trainer, G3	9780544225398
<input type="checkbox"/> Go Math! CA Personal Math Trainer Spanish, G3	9780544315532

Scroll down and select all the products, so that students will have access to them, via the online resources.

Check the programs or products to put in the students' library:
