

After the teacher has logged into ThinkCentral the Teacher Dashboard will appear. The teacher will click on the “Help Center” icon.

After clicking on the “Help Center” icon a drop down menu will appear. The teacher will then click “Guides and Tutorials.”

A list of ThinkCentral support resources will appear. This list contains several resources including PDFs and video tutorials. To view the video tutorial steps of how to make and assign assignments click on "Making Assignments (Dashboard and mySmartPlanner)."
