School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Ceres High School Mission Statement: Maximizing every student's potential.

Ceres High is a place where:

- -technology is integrated across the curriculum and is used as a tool for improving student achievement.
- -staff and student interaction is positive and every individual is valued as part of the school community.
- -every person accepts responsibility to achieve his/her highest potential as evidenced by student assessment.
- -every person values and takes responsibility for clear communication which enhances collaboration and decision-making.

Our enrollment is currently 1,702 students. The ethnic makeup of our student population is 76% Hispanic, 14% White, 4% Asian and 6% Other. The number of students considered socioeconomically disadvantaged is 84%. Approximately 10% of the student population are English Learners.

We are dedicated to giving our students the ultimate educational experience. We offer rigorous courses that prepare our students for college and career, as well as a multitude of co- and extra-curricular opportunities that help our students reach academic excellence and become responsible citizens of our community. Support is offered to all students through a variety of services: academic tutoring; counseling provided through school personnel and the Center of Human Services; mentoring provided through the Manufacturing Academy Business Partners, school personnel, and Youth for Christ volunteers.

Ceres High School underwent a WASC Accreditation Visit in 2017-18 and was awarded a 6 year term with a mid-term review.

Expected Student Learning Results (ESLR's):

Graduates of Ceres High School will:

1. Achieve Academic Proficiency
2. Communicate Effectively
3. Demonstrate Civility

The Bulldog Way encourages students to:

- Be Safe, Be Respectful, Be Responsible
- Students are rewarded for positive behavior in these areas with HERO points.

School Motto:

It's a GREAT day to be a bulldog!

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.
 *Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: 2019/10

The school district held a public hearing on September 12, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information collected in August, 2019 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements (Most Recent Year)

The district administration and members of the Board of Trustees conduct annual inspections of the site to identify areas of repair/replacement. In the most recent inspection, CHS scored a 9 out of a possible 10. The head custodian and Associate Principal in charge of facilities conduct monthly inspections and discuss their findings with the custodial staff in order to maintain the cleanliness and upkeep of the facilities. Ceres Unified School District has implemented a district-wide energy conservation plan.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Mathematics (grades 3-8 and 11)	30	26	25	25	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Career Technical Education Programs (School Year 2018-19)

CTE courses offered at Ceres High School include:

- Advanced Animal Science
- Advanced Vet Science
- Ag Welding
- Advanced Animation
- Computer Graphics I
- Introduction to Ag Mechanics
- Introduction to Veterinary Science
- Introduction to Green Manufacturing
- Criminal Justice
- Advanced Police Procedures
- Ag Welding II
- Welding Fabrication II
- Intro to Animal Ag
- Ag Leadership
- Avd. Machine and Forming Technologies II-IV
- Adv. Machine and Engineering Tech IV
- Video Production
- Adv. Digital Photo/Graphics

Many of the courses listed above meet A-G eligibility, meaning there is a level of academic rigor attached to the courses that meets college and university preparation requirements. Additionally, many of the courses articulate with local colleges and students are eligible to earn college credits while in high school. All subject areas work on meeting literacy standards in reading, writing, speaking and listening, despite the content area taught. Paraprofessionals, after school tutoring, and targeted interventions are available for students who may need extra support in the CTE courses. Ag and the manufacturing courses have advisory boards comprised of business and industry partners to help create/revise curriculum, ensure that goals are met, and help guide educational professionals in "real-life" instruction.

The Manufacturing and Engineering Green and Clean Academy is a school within a school, where all students are in cohorts for the CTE course as well as three academic courses. The Academy provides inter-disciplinary projects for students, business mentors, partnerships with many local industries (GRID Alternatives, Gallo, Frito Lay, G-3, Kohls, etc), and soft skills.

Career Technical Education Participation (School Year 2018-19)

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2018-19)

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

There are several ways in which Ceres High School encourages parental involvement. Site activities include performances in theater, dance and music; athletic contests; club activities; parent-teacher conferences; back-to-school night; open house; student registration/orientation; college and financial aid nights; Young Author's Fair; math and science bowls; Academic Decathlon competition. There are also many committees and organizations in which parental involvement is encouraged: School Site Council, Family Engagement Committee, advisory committees, ELAC (English Learner Advisory Committee), WASC focus groups, club advisors, and Booster organizations. All of these committees and organizations meet on a regular basis and provide input to school administration. In addition, Ceres High School uses e-mail, direct dialer messages, group text messages, Google classroom, the website, social media, and newsletters to keep parents apprised. All correspondence is completed in both English and Spanish, and some is translated into Arabic.

Communication is a vital aspect of parent involvement. To help keep parents apprised of their students' academic progress, Ceres High School provides written report cards and progress reports 8 times per year, in addition to phone calls from teachers, administrators and learning directors. All freshmen complete a four year plan, detailing their academic pathway. Parents are invited to participate in these meetings. The four year plan is revisited every year. Informational flyers and automatic dialer messages are frequently sent home to advise parents of academic programs or important events. Additionally, parents have access to student grades, and attendance through the Parent Portal within Infinite Campus, Ceres Unified's student information system. Infinite Campus is a web based program that also provides a means of communication between parents and teachers. Ceres High School has computers on campus that parents can use to access Infinite Campus.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2015-16	School 2016-17	School 2017-18	District 2015-16	District 2016-17	District 2017-18	State 2015-16	State 2016-17	State 2017-18

For the formula to calculate the 2016-17 and 2017-18 adjusted cohort graduation rate, see the 2018-19 Data Element Definitions document located on the SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Expulsions	0.9	0.5	0.5	0.3	0.3	0.4	0.1	0.1	0.1

School Safety Plan (School Year 2019-20)

The school's Comprehensive Safety Plan is revised and approved by School Site Council and shared with staff on an annual basis. It was last approved on 2/9/18. The Comprehensive Safety Plan can be found on the school website, under "Information", "Policies and Procedures."

When developing the School Safety Plan, the committee analyzes existing conditions in school climate and in the physical environment. Some criteria to consider are: staffing; social, emotional, academic, and health services available to students; communication with stakeholders; maintenance of the grounds and buildings; emergency procedures; and campus security. The committee then identifies areas of strengths and set goals in areas that need improvement.

Areas of strength include: structured and strategic academic supports, ambassadors and student leadership; a dedicated School Resource Officer; District and Site support for emotional and mental health; staff development in Positive Behavior Supports; good maintenance of facility and grounds; a welcoming environment for students and staff; programs in place for students "at risk".

Goals include: increase parent and community awareness through appropriate communication; continue improvement of cleanliness of campus; increase student recognition to enhance positive behavior; review and revise emergency evacuation/lock-down procedures annually; increase outdoor campus security through cameras.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2018-19)

General and Categorical funding is strategically used to increase student learning. Categorical funds are used to support goals and action plans in the School Plan for Student Achievement. These funds are used to purchase supplemental instructional resources that support students through electronic technology, practice opportunities and extended learning.

Some of the programs and services provided are: Manufacturing and Green Technology Academy, mental health services (counselors and technicians), after school tutoring, during school targeted interventions (CAIP), English Learner Paraprofessionals, Special Education Paraprofessionals, intervention clerical support, academic learning directors, Youth for Christ mentors, business partners and mentors, Center for Human Services counseling, ELD classes, language acquisition courses, team taught courses, and smaller class sizes in certain core academic courses.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	23	23	23

In the 19-20 school year, the school site has planned 18 planning days and 5 professional development days.

Staff development is a critical component to teacher and student success, and Ceres Unified School District is dedicated to a variety of professional development opportunities for staff. Weekly meetings are dedicated to department, staff and Guiding Coalition meetings. Four days per year are set aside for District or Site Professional Development, in addition to the weekly staff meetings. Teachers collaborate, learn strategies, develop lesson plans, and incorporate technology into current lesson plans. All efforts are aimed to increase student engagement and achievement. Ceres High School is focusing staff development on incorporating more Depth of Knowledge 3 and 4 activities and performance tasks, increasing the rigor at all levels, and incorporating more higher level questioning strategies. The goal is to increase student active engagement and to have teachers become facilitators.

CHS has embarked on implementing PLC, or Professional Learning Communities. Staff members are attending PLC conferences, working in content teams, developing viable and guaranteed curricula, developing common formative assessments, analyzing data, discussing student performance levels, developing interventions and enrichment opportunities, all in an effort to increase student learning and quality teaching.

CHS teachers who teach AP/Honors-levels classes receive regular AP training. Other staff attend content area conferences and workshops. Classified staff attend trainings that are relevant to their job performance.

The district participates in Induction, Common Core trainings, and other county and state approved formal training programs dedicated to improving teacher quality. In addition, the district fully supports classroom teachers with a cadre of full time staff developer/coaches who can assist with the implementation of curriculum and strategies.

School sites must include a professional development plan and budget in the School Plan for Student Achievement. Activities can include attendance at summer institutes, after school or Saturday workshops, teacher release days to attend conferences, and grade level or department release days for in depth professional development. All professional development is aligned to the district strategic plan. The goal of all professional development is to increase student achievement.
