

Procedures for Intradistrict requests for the 2019-2020 school year

Students having residency within the Ceres Unified School District boundary who wish to request to attend a CUSD school other than their neighborhood school must fill out an Intradistrict request form. Transportation is not provided for students on an Intradistrict.

If your child is currently on an Intradistrict for the 18/19 school year you do not have to fill out an Intradistrict request for the 19/20 school year. Students in 6th or 8th grades will automatically transfer to their corresponding home school with their classmates. If you wish to attend a different school that is not your home school an Intradistrict will need to be filled out.

If you filled out an Intradistrict request for the 18/19 school year and you wish to remain on the waiting list for the 19/20 school year, you do not have to fill out another Intradistrict form. Your position on the waiting list will be retained.

If you do not wish to have your child continue on an Intradistrict for the 19/20 school year, you must fill out a rescind form available at the school site and return by February 1, 2019 in order to receive first consideration to return to your home school.

Intradistrict forms for the 2019/2020 school year will be available on the CUSD web site, at all CUSD schools. Information about the programs and activities at all CUSD schools may be obtained on the CUSD web site.

Completed Intradistrict forms will be accepted at all CUSD school sites beginning January 8, 2019. All completed Intradistrict forms received by 4:30, PM February 1, 2019 will be placed in an unbiased, random lottery to determine who shall be admitted whenever a school receives admission requests that are in excess of the school's capacity. Intradistrict forms that are received after February 1, 2019 will be placed in order based upon when they are turned in and will be considered after all Intradistrict requests who were received between January 8, 2019 and February 1, 2019.
